Wetumpka Mardi Gras Festival Parade Route

Order of Cimarrón

Wetumpka Mardi Gras Festival
Parade Route

Welcome to all parade participants. We have a new staging area and route this year.

The Wetumpka Farmers Market and Valley Brook Park are the staging area this year. We need everyone in place by 12:00 so we can make lineup changes as needed. You are welcome as early as 11:00

Please enter on the north side of the park on E. Tallassee St. An Order of Cimarron member will meet you there and direct you where to park. Your patience will be greatly appreciated during this process. Once you are in your designated area, feel free to decorate or prepare your vehicle as you see fit.

Clean up after yourself.

The parade will roll out of the park at 12:45 so we can be at the starting point promptly at 1:00. Remember, we have walkers, so speeds must be kept below **3 MPH**.

We will exit the staging area on W. Coosa St. and turn left onto N. Bridge St. (Parade begins on N. Bridge at Tuskeena)

Left turn onto W. Bridge St.

At the foot of the bridge, slight left onto E. Bridge St.

Right on Hill St.

Right on E. Commerce St.

Left on S. Main St.

Parade ends at the Wetumpka Civic Center. **Please pull into the CC parking lot or the parking lot next door and wait.** This will give WPD time to take down the barricades and allow traffic to begin flowing again.

Parade route is almost 1.5 miles. If you have throws, be conservative, so the people at the end of the route don't miss out.

Most importantly, have fun and be safe.
